Our Vision

At Acre Heads we provide an excellent and enjoyable education where each child is valued and supported in their learning to achieve and fulfil their full potential.

Our inspiring EYFS curriculum is designed to reflect the interests and needs of our children, providing them with a stimulating, safe and nurturing environment which supports the growth of confidence, independence, positive relationships and a love of learning.

What is the Early Years Foundation Stage (EYFS)

- The E.Y.F.S. is the stage of education for children from birth to the end of the Reception year.
- It is based on the recognition that children learn best through play and active learning.
- Children's learning is led through a balance of discrete, adult-led sessions and carefully planned continuous provision where children have the opportunity to investigate and apply their learning using our stimulating indoor and outdoor environments.

SeeSaw Online Learning Journal

- It is an online learning journal.
- Staff record and share children's activities.
- Parents can view their child's journal and record your own activities too.
- It creates two-way communication between us (EYFS team) and you (parents and carers).
- Great opportunity to extend your child's learning at home.
- Safe and secure.
